Post Office Box 6128  
Kinston, NC 28501

Dear Clay:

It has been a pleasure to work with Contract Flooring & Design, Inc. on various projects throughout the sixteen plus years that I have been involved in the grocery supermarket business. Contract Flooring has always been very attentive to my needs as an owner's representative when it comes to quality and schedule. I truly appreciate your efforts and cooperation to be a team player.

I would like to thank you, your office staff, and your field personnel for their diligent work in completing the floor coverings on various Harris Teeter projects of recent past. As displayed over the last sixteen years of working together, the professionalism of Contract Flooring has once again proven to be a success. I look forward to the opportunity to work with Contract Flooring on future projects and would gladly recommend Contract Flooring to any owner or General Contractors.

Sincerely,

Harley Alvin Hood  
Project Manager
